

# BRITISH PARACHUTE ASSOCIATION

## AFFILIATED CLUBS (DROPPING ZONES)

Numbers 1 – 26 refer to **BPA Affiliated Clubs (Dropping Zones)**

Listed over are the Club names and the **Dropping Zone (DZ)** names, together with their contact telephone number(s) and the VHF frequencies they can be contacted on.

The UK Air Pilot (AIP) contains details of the nominated ATSU that clubs contact prior to operating on any particular day. **The initial call to determine whether a club (DZ) is active should be to the nominated ATSU (shown on CAA Aeronautical Charts).**

**Please note:** The phone numbers given here are **not** formal ATSUs. They are general contact numbers for parachute clubs and the person answering may not be in a position to give accurate operational information. If there is no answer from these numbers (or from the radio frequencies) it does not mean that parachuting is not taking place. Formal information can be obtained from the ATSUs, which are listed on the CAA Aeronautical Charts.

● **BPA Affiliated DZs**

*N.B. (1) This form is periodically updated and the current form can always be found on the BPA web-site: [www.bpa.org.uk](http://www.bpa.org.uk) under BPA Forms.*

*N.B.(2) There may be other parachute symbols marked on aeronautical charts. These are not BPA DZs and AIP should be consulted for details.*
