**10. COMPETITION OFFICIALS**

The competitors will be notified of the attending officials during the Competitions Briefing.

**11. TROPHIES**

All competitors who won Trophies last year are asked to return them to the BPA Office by the beginning of June 2008.

**12. CATERING FACILITIES**

On site catering is available throughout the day

**13. DRUG TESTING**

The BPA fully supports Drug-Free Sport and is committed to preventing drug misuse in sport parachuting. Drug misuse is cheating and it may prejudice your safety and the safety of others. There is no place for the misuse of drugs in our sport. The BPA's Anti-Doping Policy and Rules are set out in BPA Form 220 which is downloadable from the BPA website and available on request from the BPA Office. A photocopy of UK Sport's Athlete Advice Card on Anti-Doping is given at Annex F.

An independent agency may require ANY COMPETITOR to take a random drugs test. Refusal to provide a urine sample for analysis will result in disqualification. Many medications that you may need to take for common medical conditions, such as asthma or hayfever, may contain Prohibited Substances. It is vital that you do not accidentally take a prohibited substance, the consequences are the same as if you were doping. Getting it from a doctor on prescription is no defence!

The World Anti-Doping Agency (WADA) has published the new List of Prohibited Substances and Method with effect from 1 January 2008, and this now applies.

For further information, please see the anti-doping page of the BPA website [www.bpa.org.uk/antidoping.htm](http://www.bpa.org.uk/antidoping.htm). This includes a link to the Drug Information Database where you can check the status of any medication, food supplement, or other substance. There are also links to other key websites such as UK Sport's "100% Me" [www.100percentme.co.uk/home.php](http://www.100percentme.co.uk/home.php) which explains drug free sport in more detail. Each competitor is STRICTLY LIABLE- this means that it is your own personal responsibility as a competitor to ensure you comply fully with this policy. A positive test result means disqualification for the whole team, a loss of any funding, and a ban for the individual. BPA Form 220 sets out the procedure to be followed in the event of a positive test. The test is concerned with whether a prohibited substance is present in the body, not how or why it got there.

The Therapeutic Use Exemption (TUE) application process (see the "100% Me "website) gives competitors a means of attaining approval to use a prescribed Prohibited Substance or Method for the treatment of a legitimate medical condition. It applies, for example, to certain inhaled asthma medications. This process is in place to protect the rights of competitors to compete on a level playing field. Any competitor applying for a TUE must attach a copy to the competition entry form, and must also file a copy with the BPA Office before he or she competes.

**14. AIR TO AIR VIDEO**

Teams are requested to inform Target Skysports whether they will be competing with their own Videographer or require one from the "pool". Teams will not have a choice of pool videographers – it is possible that a different Videographer may be allocated for each round.

NB 1: It is recommended that each team bring their own Videographer.

NB 2: Will all teams note – if videographers are jumping on more than one team then, after the competition draw, the order of jumping will only be altered with the full consent of all Team Leaders of the event in question, the Chief Judge and the Meet Director. However the Meet Director reserves the right to alter the order of jumping if required to benefit the running of the competition.

NB 3: ALL videopersons are required to have camera helmets with no snag points and preferably a single point of release cutaway system.

**15. PRIZE GIVING**

Prize giving will begin as soon as the host Drop Zone can arrange after the event has been completed and once any dignitaries who will be involved in the presentation are available.

In the Open event, only a gold medal may be awarded. The Open gold medal will, however, be awarded only if the winner is ineligible for the British Nationals.

**16. LICENCE TO USE IMAGES**

In entering this competition, competitors agree to grant the BPA Ltd a royalty-free non-exclusive licence to use any video or other images submitted to the competition for training and judging purposes.

The exit will be controlled by radio and commands relayed to the team in the aircraft by the pilot or crew. Exit commands will be made using an appropriate signal system
