

British Parachute Association

2019 Nomination form

The BPA★Star award recognises, to the membership and beyond, BPA members who have given service over and above what would normally be expected. **It specifically recognises service or help given to a BPA member who is A licence or above at the time the service or help is given.**

About your nominee

To comply with data protection and privacy legislation, if a nomination is judged by BPA to be successful, a BPA Star award will be made only with the consent (opt in) of the nominee. Both nominator and nominee must be current BPA members.

Nominee's name _____

BPA membership number (if known) _____ Home DZ _____

Nomination text (maximum 250 words)

Please note that in submitting nomination text (what you write in the box below, together with your name and DZ), you are consenting that this may, subject also to the consent of the nominee, be published by BPA in whole or in part in the event of both (i) a successful nomination as determined by the judges, and (ii) your nominee choosing to accept a BPA Star Award.

About you, the nominator

Please note (i) We will check the information you supply below with the BPA membership database to verify that you are eligible to make a nomination; (ii) you should personally be the recipient of excellent customer service from the nominee.

Nominators must hold BPA A Licence or above for a nomination to be valid. There is a cap of (the first) **five** nominators per nominee. If a nominee has reached this cap, senders of any sixth and subsequent nominations will be advised accordingly, and their nominations shall **not** be valid.
